**The General Publics  
Representative**

*Maryland*  
HORSE INDUSTRY BOARD

Dorothy Troutman is considered by many to be a quiet but vital force within the Maryland horse industry. She is the founder and president of the Maryland Equestrian Foundation, which had an integral role in the creation of the Rosaryville Conservancy and the Marlborough Horse Trials. She is a director for the Maryland Association for the Preservation of Equestrian Sports and a member of the Citizens Advisory Committee for the Prince George's Equestrian Center. Through her work with the Prince George's County Council and the Park and Planning Board, Mrs. Troutman works tirelessly to protect open spaces and trails for equestrian use, and to provide facilities for showing and eventing. At the core of Mrs. Troutman's efforts is her conviction that the horse industry and equestrian events are assets not only to Prince George's County, but also to the entire State.
